## My school

My name is Peggy Smith. I'm 13 years old and I live in Manchester. I go North Ridge High School. I'm in class 8A. My favourite subjects are Geography and English. I don't like French or Maths.

I take the bus to school with my friends. We meet at the bus stop at quarter past seven. School starts at eight o'clock and finishes at half past one p.m. After school I go home and I do my homework. In the evening I watch TV or go on Internet.

On Thursday I don't go home at half past one. I play badminton in the school gym. I'm not very good, but I like it. I play the violin, too.

I've got a sister. Her name is Mary. She doesn't go to the same school as me. She's four years old. She goes to a nursery school near our house. She walks to school with her mum. Mary leaves home at seven o'clock.
